

BIKER'S ILLUSTRATIONS

Real Biker's Art ———— Finely detailed pictures of actual bikers and Harleys. Yoshihito Tomobe is famous as the top Japanese illustrator of Harleys and bikers, his composition and technique allowing him to create pictures that resemble single frames from a movie. The detail with which he portrays the bikers and Harleys in his work is so intense that they appear as real as photographs and he enjoys great popularity among Japanese bikers.

Illustrator : Yoshihito Tomobe. Japan's leading Harley Davidson fantasy illustrator. Born in 1964. Active in the printed media and advertising fields. He loves Harley Davidsons and produces illustrations every month for the Harley Davidson lifestyle magazine, VIBES.
